Is this time not working? Please put them on your calendars.

1. We held off on the report on the Equity, Diversity Recommendations on the Mid-term Accreditation Report. I was going to ask Ken Collins to report on the PAC meeting yesterday regarding the Report. It will be presented at the March 11th Board of Trustees Meeting. (You can all download the full report. Debra Gerard sent out an e-mail with the attachment).
2. Review timeline from last meeting. Ken Collins was going to let us know the procedures of the Report. Our question from the last meeting: Do we present the Student Equity Report at the last Faculty Senate meeting which I have scheduled May 15th? If so, that ups our timeline.
3. No one gave any feedback on the Framework for Next Steps that was in the 2-14-08 meeting notes. I will then assume that there were no revisions or suggestions.
4. Carolyn and I began sharing "best practices" or programs to explore. Carolyn mentioned "On Course" which she will e-mail information to the committee regarding a conference in May. Chris mentioned The Umoja Community (handout you received in November at the meeting) that reflects a comprehensive program that addresses many of our concerns.
5. Next meeting: March 13th. We will need to regroup.
