**Agenda/Meeting Notes**

**Today's Discussion:**

1. **New Student Success Committee (SSC) - Need representative from the Student Equity Committee**
  - Need to take the concept of basic skills outside the concept of only seeing via two divisions.
  - Need to broaden the discussion of student success - across the disciplines.
  - Terry Giugni - wanted to expand it even more
  - The entire campus discussion will be on Student Success (work with all entities on campus)
  - The most important committee on campus - focus all resources on Student Success.
    - EVERYTHING
    - No budget - this is a coordination of what we are doing.
  - **Meetings:** First Monday - 3-4:30pm; first Monday in February 6, 2012.  
Chris has a class from 4-7pm and will not be able to be the Committee representative unless it is moved back to 2pm as originally scheduled.
  - **We need a strong voice representing Student Equity!**
  
2. **Supporting Veterans at Fullerton College**

### 3. **Committee Recommendations:**

#### • **Campus Website**

- need to focus on the immediate need to have a full-time web designer.
- missing the critical part.
- need to be proactive
- Stewart presented the recommendation. Approved to send to Dr. Vurdien, Faculty Senate and Campus Web Site Work Group via Andrea Hanstein.

#### • **Staff Development**

- no money in Staff Development
- **focus:** getting the campus together
- cost factors for technology training
- survey - what do staff and faculty need to address the need of our students?
  - what expertise do we have on campus?
- need to develop something ongoing to be able to track over time.
- need to have on going small group gatherings.
- need to create a MOVEMENT - everyone needs to take responsibility.
- gatherings around coffee?

#### **Recommendation:**

- look the equity highlight things that are do-able.
- give the Staff Development Committee, Faculty Senate and Administration direction.

- **FC Food Bank Collaborative** (letter of support for the record). We have completed four FC Food Bank Collaborative meetings and have a second draft of the guidelines. This work group came out of the Student Equity end of the year reports.

### 4. **Focus for Spring 2012**

- Continue to review our Plan and end of the year report from Spring 2011 and provide recommendations and/or bring work groups together to develop strategies to address the identified issues.

#### **Updates:** Master Plan and ACCCJC Response

- It is clear that faculty, administration and students have a different vision and understanding of what a Master Plan (especially and Educational Master Plan) should look like.
  - **Administration:** It is a Living Document.
  - **Faculty/Students:** How it got to a "living document" is in question.
  - **Question:** How do we move beyond - "us" versus "them" mentality?
  - **Trust is a key:** however, historically we as a campus and district do not a good track record.
- **Recommendation:** (1) The three entities come together to use attentive listening to hear each other's perspectives. (2) After some reflection, come back at a later date to have a discussion to how to proceed.

#### **Next Meeting:** Thursday, February 13, 2012- 1-2pm

**Alex, Anna and Manuel,** We hope you will be able to continue as student representatives for the Spring 2012 semester.
