Meeting Agenda/Notes

1. **Brief update & review of status of Recommendations at Faculty Senate**
 - The Faculty Senate wants us at the next meeting - Feb. 21st at 4ish☺. To address some questions/concerns that came up at the last meeting.
 - Adela and I heard questions from the Faculty Senate around 4:15pm.
 - We found out what recommendations were passed at their last meeting and answered questions regarding the ones in question.
 - What I realize is that the more information we provide seems to

cause some of the senators to challenge. We gave background information and possible solutions because that was requested by previous senates. No happy medium. These are recommendations. Some seem to miss the point of the overall vision of the recommendations.

Approved: (not sure what that means☺).

1. campus signage (I think was approved)
 - a. Joe Carrithers - moved the senate to see the intent/vision of the proposal. A counselor stated faculty have no business in determining signage (something to that)
2. Campus website
3. FC Food Bank
4. Redesign of the Financial Aid Service Area
 - a. Most appreciated the revision; except for one of the Counselors got very heated and stated the Committee is making recommendations without talking with effected groups. Calling Bob Mirada for clarification if the 2000 building may be a space to work with didn't count. (I initially intended to send an email to Bob, Lisa Campbell and Toni DuBois - got behind). Now the counselor thinks we are catering to Social Science☺.
 - b. Toni was there and stated she thinks we should wait until the Welcome Center is built (no immediate timeline).
 - c. Joe Carrithers on the Senate had the senators return to the intent/vision of the proposal - to provide a space and services that support students and that it can not wait for the Welcome Center. Something needs to happen NOW. Everyone agreed to that.
5. Staff Development was tabled until March 7th which again, it is opposite a KinderCaminata Planning meeting so we'll be on at 4pm.
 - a. Territorial issues seem to be alive and well in the Senate.
 - b. We'll focus on the intent/vision of the recommendation.

6. I think they tabled Recommendation #7: Institutional Research Department (maybe approved).
7. I'll let Vince White know that I want to get
8. Recommendation #6 to Rolando by the end of this coming week.

2. Update & Review of Recommendations #6 and #7

- Received input from Paul on the draft and Vince was going to check with students.

3. To begin the process of writing a New Student Equity Plan for 2013.

- a. We will focus on the Recommendations
- b. Think about the research we need. I'll ask for updates on research that was in the 2008 Plan for now.

Meeting - Thursday, February 28th - 2:00-3:00pm.

- Our focus will be the 2013 Student Equity Plan
